"The benefits you propose to extend to those selecting this class of policy are more varies in their character and advantages than are afforded by any pian of insurance now in use by any company within my knowledge, and are such as cannot fail to render the Tontine Investment Policy a popular, safe and highly reconnecative term of insurance. Very truly yours, SHEPPARD HOMANS, Consulting Actuary."

"I have no hetitation in saying that I think it more probable that the actual results will exceed than fall short of your estimates.

"The various advantages of this form of policy are well presented in the circular explaining it; and I notice among them several methods of applying the surplus which do not appear to have ever been offered by any other company. Yours truly, "EDWIN W. BBYANT, Consulting Actuary.
